

**WYCOMBE'S F.A. Cup opponents Chatham, are managed by former Gillingham player and coach Jimmy Boswell. He left the Gills during reign of John Bond and took over as boss of Chatham three years ago. He steered them to runners up in his first year and to the league and cup double last term. His squad is as follows:**

**JOHN GUNNER** — Goalkeeper, formerly with Gravesend, Sittingbourne and Tonbridge. He has been with Chatham since the beginning of the season, took over when regular keeper Liam Fahy, broke his arm. Fahy is now fit, but Gunner's form is keeping him out.

**JOHN RIBBINS** — A former Gillingham professional. Plays right back and is fond of overlapping. His accurate crosses lead to many goals.

**JOHN ADAMS** — Burly left back with a reputation for uncompromising tackling. Another former Gillingham player, who has had spells with Sheppey.

**BRIAN O'SULLIVAN** — Another left back in a different mold. Good in the air and fond of overlapping. Product of junior football.

**JACK LILLIS** — One of the "older" players who has been a regular for four seasons. Plays in the middle at the back and is strong in the air and on the ground. Has played for Sheppey and Herne Bay.

**TERRY JONES** — Another local product. Plays old centre half role or in midfield. Scores goals and is good in the air.

**MICKY PECK** — Tenacious midfield player, strong tackler who gives 90 minutes effort. Formerly with Tonbridge.

**PETER LARAMAN** — The only "star" in the side. Played professional football with Torquay, Charlton and Gillingham. Was leading goalscorer with Torquay. Midfield man with a knack of scoring fine goals.

**DAVE PATTERSON** — Nimble winger, playing his first season outside junior football. Very fast with good ball control.

**BOBBY HARRISON** — Club skipper, regular goal scorer and former Gillingham forward. Was said to have

brilliant future with the Gills, but he never really made it.

**RICHARD HALES** — New signing this term. Excellent in the air. Formerly with Haversham and Sittingbourne. Brother Derek plays with Charlton.

**DOUG DRIVER** — Another stalwart and leading scorer for past three seasons. During double winning year, notched over 40 league goals.

**DON BUXTON** — Ex-Chelmsford and Maidstone left winger. Has lost some speed in last couple of seasons but has a habit of scoring vital goals.
